WILD SCENES MARK STRIKERS' MEETING

HALL CLEARED BY POLICEMEN TO END BEDLAM

Striking Railroad Men in Chicago District Refuse to Vote on Return

WAVING OF AMERICAN FLAG IS HISSED

President Grunau Unable to Get Out of Jail to Attend Meeting

JOHNSON LEADS IN NEBRASKA PRIMARY

Storm Hit Sections Call For Aid

CHICAGO, April 21.—Striking railroad men in the Chicago district refused today to vote on the question of returning to work. All efforts of a committee of strike leaders to obtain action failed.

M. J. Kenney, R. S. Murphy and Shannon Jones, three of the strike leaders arrested last week, made the appeal for a return to work at a mass meeting of striking yardmen.

They were greeted with cries of "sold," "outside," and where's Grunau?" Jones explained that efforts to obtain the release of John Grunau, president of the Chicago Yardmen's association, from Joliet jail on bond had not succeeded.

Murphy is hissed. Murphy, waving an American flag, took the floor to declare he "would not fight the American government." He was greeted with catcalls and hisses.

Union leaders declared after the meeting they were helpless to order the men back to work.

A police lieutenant declared the meeting adjourned after the strike leaders had been refused a hearing. He announced that no "rump meeting" would be permitted, and the hall was cleared under police supervision.

Bedlam followed the attempt of union leaders to address the men. Shouts were interspersed with cries of "adjourn."

The speakers filed out and resumed the session at their headquarters.

Many of the men declared Kenney, Murphy and Jones had no authority to advise them to return to work. Only President Grunau could do that, they declared. Grunau, at whose request the mass meeting had been called, expected to arrive for his release from jail to attend. Failure of his plans to furnish the \$1,000 bond prevented his appearance.

New Yorkers Returning. WASHINGTON, April 21.—An agreement with railroad brotherhood unions, under which the striking railroad workers in the metropolitan district of New York will return to work immediately, was announced here today by Edward McHugh, spokesman for the strikers.

Mr. McHugh said he had abandoned efforts to have the case of the New York men taken up separately by the railroad labor board, and that his committee would return to New York today, leaving their case in the hands of the leaders of the regular brotherhoods.

Service Improved. NEW YORK, April 21.—Freight traffic, almost completely throttled last week by the unauthorized strikes of railroad workers, has reached 40 to 50 per cent of normal today on lines entering New York and Jersey City, according to a statement issued by J. J. Mantell, spokesman for the lines. Passenger service is virtually normal. Mr. Mantell denied claims of strike leaders that 70 per cent of the strikers were still out.

JAPS DEMAND ARMS OF CZECH FORCES

HARBIN, Manchuria, April 14.—(By the Associated Press.)—Japanese authorities in Manchuria have demanded that all Czech troops in this country be disarmed. This decision is a result of the recent clash between Czech and Japanese troops at Hailar, a village near the Siberian frontier.

Six trainloads of Czechs participated in the fighting, which resulted in twenty Japanese casualties. The fight began over possession of a number of Russian prisoners being held by the Japanese, and it said Chinese soldiers aided the Czechs in their endeavor to liberate the Russians. The Czechs used an armored car which the Japanese captured, but the latter were forced to retreat before the Chinese, who captured the Japanese barracks. The Russian prisoners escaped.

Talks on China. CHICAGO, April 21.—China stands in the position of the United States fifty years ago, entering an era of development and progress, said Chas. R. Crane, newly appointed minister to China, who left today to take his post at Peking.

"Perhaps the country's biggest problem is that of transportation," he said. "There are more miles of canals in China than of railroads in the United States, but railroads are badly needed."

"If we have peace in the Pacific," Mr. Crane said, "there is no reason the Pacific of the future should not repeat what has been accomplished in the trade channels of the Atlantic."

SONORA REBEL LEADERS HAPPY OVER RESULTS

News Received That Another State Is Revolting Against Carranza

AGUA PRIETA, Sonora, April 21.—Although lacking definite information through their own channels, leaders in Sonora's fight against the Carranza government of Mexico for states' rights drew encouragement today from news dispatches repeating the statement of a Carranza official and recounting reports made to the American army intelligence service.

The first was a statement given out at Laredo by General Ignacio Pesqueira, appointed by Carranza to supersede Adolf de la Huerta as governor of Sonora. The general pronounced the whole state of Michoacan, where Mexico City advises last Sunday said a local rising was in progress, as being in a state of revolt against Carranza. Senor Robelo, governor of Michoacan, has gone over to the Sonora movement. General Pesqueira was quoted as having taken with him all the federal troops in his jurisdiction.

SAN ANTONIO, Texas, April 21.—Lieutenant Colonel Alvaro Obregon, candidate for the presidential chair of Mexico is now in the state of Michoacan, actively in command of revolutionary troops, according to a report received from southern department headquarters at Fort San Houston today. The same report from army intelligence department sources, it was learned, said that the 77th Mexican cavalry had left Ojinaga, Chihuahua, to reinforce the garrison at Juarez, and that 3,200 Carranza troops are now concentrated at Casas Grandes, Chihuahua, preparing to march on Pulpito Pass, the connecting mountain passage between Chihuahua and the state of Sonora.

'TIGER' RETURNS FROM EGYPT AND AVOIDS PUBLIC

Clemenceau Refuses to Talk on Results of Journey; Has Recovered From Illness

PARIS, April 21.—Former Premier George Clemenceau, who has been visiting Egypt for the past two months, arrived here this morning. He was alert and smiling, but avoided interviews and would not be photographed.

He was met at the station by members of his family.

Many prominent men were present. When he landed at Marseilles yesterday efforts were made to get the aged statesman to talk, but all were futile.

"The war is over isn't it?" he exclaimed as the correspondent of the Journal. "Yes? Well all I want is to be left alone."

"What am I going to do? Why, just live until I die."

The "tiger" growled out brief impressions of his visit to Egypt while the elephant tusk and mummy he brought back from the land of the Pharaohs were being placed on the dock.

MEXICO REVOLT GROWING, U. S. OFFICIALS TOLD

Washington Gets News Which Indicates Carranza Faces Tough Period

WASHINGTON, April 21.—Official and unofficial reports received here today from Mexico told of further defections from the ranks of Carranza's adherents. Advice to the state department said that General Fortunato Maycotte had joined the Obregonistas with his entire command, which has been operating in the border country between the states of Morelos, Michoacan and Guerrero, a short distance west of Mexico City.

Obregon, General Benjamin Hill and numerous friendly officials who recently fled from Mexico City, are with Maycotte's command, which consists of three regiments of cavalry and two of artillery.

Private advices from the border said that General Amelio Gomez with 300 men had occupied Tuxpan and was threatening Tampico. These advices also declared that Colonel Rodolfo Gallegos and 400 men in Linares, Nuevo Leon, had declared in favor of Sonora as had Generals Altamirano Gomez and Amaro Durango, in Chihuahua.

Advices from the same source also said that Governors Nikolas Flores of Hidalgo and Maximo Rojas, of Tlaxcala, backed by the legislatures and state troops, also had declared in favor of Sonora.

Reports at the state department said a group of 15 deputies has left Mexico City for Sonora by way of Laredo. The names of the members were not given in the advices, but it was supposed they were among the 48 who recently issued a manifesto charging Carranza with having precipitated the present situation by his arbitrary civil and military acts against various states of the republic.

Officials here have noted that the censorship is being rigidly enforced in Mexico City. Copies of Mexico City newspapers received today contained many blank columns especially on the editorial pages.

HITCHCOCK HAS BIG LEAD OVER BRYAN FACTION

But Country Vote May Bring Up Commoner's Total Considerably

WOOD IS SECOND AND PERSHING THIRD

A. Mitchell Palmer Ahead in Results Totaled in Georgia Election

OMAHA, Neb., April 21.—Senator Hiram Johnson continued to maintain a lead as the ballots in Tuesday's presidential primary were slowly being tallied today. With 432 precincts out of 1849 heard from he had polled 15,618 votes to 12,762 for Leonard Wood and 7399 for General John J. Pershing.

The contest for delegate at large on the Democratic ticket furnished the most interest in Nebraska this morning. While one of William J. Bryan's delegates was running third in the field of eight, Bryan dropped back to seventh position when 408 precincts had been counted. Political observers call attention to the fact, however, that while Bryan lost Douglas county he was running second outside of the county and the race promises to be close. The vote of 408 precincts stood: Hitchcock delegates, Neville 12,352; Shallenberg 12,035; Noble 9819; McNary 9388; Bryan delegates, Stephens 10,985; Berg 9551; Bryan 9313; Thomas 8559.

Governor in Lead. Governor McKelvie continued to lead Adam McMullen in the Republican gubernatorial contest when 424 precincts had been heard from. The vote: McKelvie 9358; McMullen 8251.

The Democratic race for governor was not as close. With 704 precincts tabulated Moreland had 7309 and Clark, his nearest opponent, 5544.

For national committeemen on the Republican side, R. B. Howell led McCloud with 355 precincts heard from, 17,884 to 12,657.

Howell carried Douglas county (Omaha) by 5796 votes with 145 precincts out of 163 heard from.

Race To Be Close. Arthur Mullen is leading Thompson for Democratic national committeeman but this race likewise promises to be close as Mullen's lead was established in Douglas county while Thompson was leading in the state outside of Douglas.

Few votes had been counted on the Republican delegate-at-large vote, but in the few that have been counted, the Wood delegates are leading, although all of them, with one exception have pledged to vote for the preferential choice.

Of the 145 precincts that have reported in Douglas county, Wood led by almost 300 votes over Johnson, with Pershing third.

McMullen carried Omaha over McKelvie by 900 with the same number of precincts heard from, but the governor overcame this lead with a heavy vote from out in the state.

Moreland carried both the outside and the city of Omaha by about two to one over Selkirk, his nearest opponent. The returns are being gathered and compiled by the Nebraska election bureau, an organization of two Omaha and one Lincoln morning paper.

RESULT IN GEORGIA. ATLANTA, Ga., April 21.—Latest unofficial returns from yesterday's Democratic preference primary gave Attorney General A. Mitchell Palmer 43 counties with 140 votes in the state convention; Thomas E. Watson 50 counties with 120 votes, and Senator Hoke Smith, 42 counties with 100 votes. There are a total of 334 convention votes in the 155 counties of the state, having 15 counties with 24 votes yet to be reported.

The Democratic state convention at which the delegates will vote will be held here May 28.

In and near Meridian, Miss., 21 persons lost their lives, while 16 employees at a lumber camp in Neshoba county were killed.

The deaths in Mississippi already reported totalled 118.
